## GLOVIS LOST ONCE MORE

ROSSELL AGAIN DEFEATS ITS VISITORS IN ANOTHER ONE-SIDED EXHIBITION

### LAST OF SERIES TO-DAY

Team from the North Will Take a Trip Down the Valley and Roswell Will Follow.—Roswell Nav. Has a Fast Bunch of Players and Management Will Go to Business Men for Support.

Clovis was again loser to Roswell in the second game of the present series at Amusement Park yesterday afternoon, the score being ten to three. Although it was another one-sided exhibition, Clovis never lost heart and "talked up" the game until the last man was out. They cannot be called "quitters," even if they cannot play ball with Roswell's fast bunch.

Wynne pitched for Roswell and he struck out eleven and allowed six hits and two bases on balls. Guber pitched for Clovis, striking out seven, allowing eleven hits and six bases on balls, and hit two. The errors were three for Roswell and five for Clovis.

The last game of the series is being played this afternoon. The visitors leave tonight for the south, playing Lake Arthur Wednesday and Artesia Thursday. Roswell follows them south Thursday night, playing at Artesia Friday and at Lake Arthur Saturday. Roswell has 21 games scheduled between now and July 4, and twelve of them will be played at home.

Roswell now has the best ball team in its history. Captain Wynne, of the Institute, is to be field captain during the summer and Webster and Kunz have been secured for the lineup. These with Caldwell, Wilson, Walker, Reed, McCaslin, Leland, Foreman, Jones, St. John, Baker and Stains, make a bunch to select from that will easily take everything in this section of the country, and prove a good advertisement for the town. The management of the team will call on the business men tomorrow and ask their support in a financial way. The boys have been playing a quality of base ball that deserves encouragement and that is what the business men should give them when the call is made tomorrow.

### CONTRACT LET FOR CONSTRUCTION WORK.

The Roswell Waterworks Commission yesterday completed its work of letting contracts for the building of the water and sewer systems for Roswell. All of the contracts for the different kinds of material had been let Saturday, as previously reported in the Record, and yesterday the entire work of construction was let to one firm, Glenn & Rich, of Webb City, Mo., at prices that will approximate \$53,000. This contract is considered a good one, as the various contractors had expected to see the work let at about \$60,000. Glenn & Rich will do all the work and furnish the material for the power house at this price.

### DEMOCRATS CARRY GLOBE, ARIZONA BY BIG MAJORITY.

Globe, Ariz., May 26.—In the first city election held here yesterday the Democrats won a complete victory. A. L. Kinney, for mayor, leads his socialistic opponent, two to one. The socialists cast more votes for the head of the ticket than did the republicans.

People who read the Daily  
Record subscribe and pay for it, and have money to buy the goods advertised in the paper.
